Please join hands with your colleagues in helping RICOWI “Make a Difference” in the roofing industry by sponsoring the webinar this fall. The impact of this unique industry collaboration will be felt in the improvement of roofing systems’ integrity. Your sponsorship will help RICOWI to continue to provide the most accurate, up-to-date technical information to members, meeting attendees, and the industry.

Here are some frequently asked questions to help make your decision about sponsorships:

Do I have to be a member to sponsor a RICOWI Event?

NO. A sponsorship of a RICOWI Event is a great way to come and meet the members and attendees of the events. Call it “a getting your feet wet” without the commitment of a membership. RICOWI is sure you will find value in the group and hope that you will become a member and continue to sponsor the group at future events.

Will more than one company be allowed to sponsor at a specific level?

YES. To maximize sponsor exposures RICOWI does not preclude more than one sponsor for an event.

Who attends RICOWI Events?

RICOWI’s event attendees are a diverse group of members committed to study the impacts of weather events on roofing systems. These include but are not limited to the representatives of the major roofing associations; insurance industry representatives; roof consultants, architects; engineers; specifiers; academia; and government representatives.

How do I sign up for Sponsorship of the RICOWI Event?

COMPLETE the form below; choose your sponsorship level; and send in your payment to get signed up! (A sponsorship request without payment will not be processed until payment is received)
