RICOWI Sponsorships

Please join hands with your colleagues in helping RICOWI “Make a Difference” in the roofing industry by sponsoring the seminar in Vancouver, BC this fall. The impact of this unique industry collaboration will be felt in the improvement of roofing systems’ integrity. Your sponsorship will help RICOWI to continue to provide the most accurate, up-to-date technical information to members, meeting attendees and the industry.

Your support of RICOWI through your membership and involvement shows your concern for the future of the roofing industry. We hope you will consider helping us continue to meet our mission and celebrate the success of the last 27 years by sponsoring this event. As an event sponsor, your organization will receive exposure from media campaigns and promotions for the event. You will also gain exposure from the audience attending the event.

Here are some frequently asked questions to help make your decision about sponsorships:

Do I have to be a member to sponsor a RICOWI Event?
NO. A sponsorship of a RICOWI Event is a great way to come and meet the members and attendees of the events. Call it “a getting your feet wet” without the commitment of a membership. RICOWI is sure you will find value in the group and hope that you will become a member and continue to sponsor the group at future events.

Will more than one company be allowed to sponsor at a specific level?
YES. To maximize sponsor exposures RICOWI does not preclude more than one sponsor for an event.

Who attends RICOWI Events?
RICOWI’s event attendees are a diverse group of members committed to study the impacts of weather events on roofing systems. These include but are not limited to the representatives of the major roofing associations; insurance industry representatives; roof consultants, architects; engineers; specifiers; academia; and government representatives.

How do I sign up for Sponsorship of the RICOWI Event?
